

HBV - HCV - HIV:

THREE DIFFERENT AND SERIOUS THREATS FOR EUROPEAN YOUNG PEOPLE.
A NETWORK TO STUDY AND TO FACE THESE CHALLENGES IN THE
PARTICIPATING COUNTRIES.

DISSEMINATION ACTIVITIES ITALY – UNISS & ISES

“H-CUBE” project manager on behalf of the main applicant, **Università degli Studi di Sassari**, has participated in different events at international level to present and disseminate the project.

1. On 28-30 April 2009 in Vilnius, even before the official starting date of the project, Ms. Forgione participated in the “**5th European Conference on Clinical and Social Research on AIDS and Drugs**”. Please, find below a picture of the project manager, Ms. Dolores Forgione, near the official conference poster.

PARTICIPATING COUNTRIES.

2. On **2nd July 2010** in Amsterdam, Ms. Forgione and Mr. Andrea Ferrari (ISES IT Expert) participated in an informal meeting organized by my “**Correlation II**” team to present H-CUBE e-learning platform.
3. On **July 18 – 23 2010**, several projects funded in the framework of the EU Health Programme have participated in the “**International AIDS Conference and its satellite meetings**” in Vienna. One of this project has been “H-CUBE”. H-CUBE has been presented during the conference and the project poster was showed during the conference satellite sessions thanks to the presence of Ms. Iwona Klapinska (NAC) , Ms. Radosveta Stamenkova and Mr. Ventsislav Kirkov (BFPA). Please, find below some pictures showing “H-CUBE” poster.
